EXPRESSION OF INTEREST (EOI) FOR SUPPLY OF AROUND 429 CRORE LITRES OF DENATURED ANHYDROUS ETHANOL AT OIL MARKETING COMPANIES' (OMC) LOCATIONS FOR THE PERIOD FROM 01.12.2020 TO 30.11.2021-PRODUCED FROM SURPLUS RICE PROCURED FROM FOOD CORPORATION OF INDIA (FCI)

clause. This option can be exercised by the Supplier once during the quarter for a PO for a location i.e. the monthly indents for quarter only can be revised while maintaining the quarterly indent i.e. if quarterly prorated indent is 300 KL; the monthly alteration within a quarter must add to 300 KL.

Ethanol Supplier willing to supply higher than monthly prorated indent for early completion of PO:

Supplier can request OMC location with 15 days advance notice, for supply of higher than monthly prorated indent for next month for early completion of PO quantity; acceptance of the request will be at OMC location's discretion.

In case of multiple Vendors seeking revision (increase) in indents at a location for the next month, the revision of indents by the location will normally be in proportion of PO quantity; subject to meeting the Location's Requirement/ capacity of unloading. The Supply or Pay Clause will be reckoned as per the revised indent. The prorata monthly indents as given along with PO will, however, be effective for forthcoming months till contracted quantity is exhausted. This option can be exercised multiple times during the Procurement Period.

In such a case the quarterly revised indent (on supplier for a location & for a PO) may even become higher than prorated quarterly indent (this will enable the supplier early completion of PO quantity with location's consent).

Receipt of quantity higher than monthly indent (original or revised) dispatched by the Supplier, will be at OMC location's discretion.

The OMC location at its discretion may accept in writing to the Supplier, rescheduling of indents proposed by the Supplier. In case of any alteration of monthly indents by mutual consent on supplier's request, the monthly revised indent (higher or lower) would be considered for Price Reduction clause. Ethanol Supplier willing to supply higher than monthly prorated indent for early completion of PO:

Supplier can request OMC location with 15 days advance notice, for supply of higher than monthly prorated indent for next month for early completion of PO quantity; acceptance of the request will be at OMC location's discretion.

If the beginning of the first quarter does not fall on the first day of the calendar month, prorated indent for the balance period of that month would be considered. The following 2 months will complete the quarter.

If the supplier is able to supply 100% of quarterly quantity as per PO in a quarter, keeping the overall lapse due to TT capacity below 12 KL in the quarterly PO quantity/Prorate PO quantity and if OMC is able to receive the quantity at the same location or any other location, monthly Penalty shall not be applicable to the Supplier.
