**Subject: - Delays in disbursement of interest subvention by NABARD.**

Dear Sir,

We hope this letter will find you in best of health & spirits.

On behalf of GEMA members, we are bringing to your kind notice that there are abnormal delays in receiving disbursement from NABARD towards Interest Subvention Scheme approved by DFPD for promotion of Grain Ethanol units.

Some members of the GEMA have brought to the notice that despite follow-up and compilation of papers submitted to NABARD, their disbursement is pending since June 2023.

Concerned office of NABARD has informed in writing to the unit that because of the shortage of funds they are not able to release the due amounts.

We request you to sir to look into this problem and facilitate the release of fund to NABARD so that they can meet the disbursement of pending amount to the units.

We request for early action.

Thanking you & assuring you of our best attention at all times.

Yours faithfully

Dr. C. K. Jain  
President

Dear Mr Ramesh,

Please see below the response from NABARD, citing shortage of funds for not releasing our interest subvention, which is already running behind schedule by 3 quarters.

Dear Sir,

Please refer to your trail on the captioned subject. In this connection, we would like to inform you that we have sanctioned your claim for the quarter ending June 2023, but due to unavailability of funds, same is pending for release.
