Subject: Request for Meeting – Grain Ethanol Manufacturers Association (GEMA)

Respected Sir,

Greetings from the Grain Ethanol Manufacturers Association (GEMA).

GEMA represents 135 member units with a combined ethanol production capacity exceeding 800 crore litres per annum. We work to promote the growth of the grain-based ethanol sector while voicing the concerns, grievances, and challenges faced by dedicated grain ethanol plants.

GEMA delegation wants to meet you to discuss the current status, challenges, and developmental prospects of the industry.

We will follow up with your office to seek a mutually convenient time and date for requested in person meeting.

We look forward to your kind consideration.

Thank you & regards,

Dr. C. K. Jain, President
