Subject: Supply Affected Due to Non-Availability of Drivers & Transportation During Long Festival Period (18.10.2025 to 26.10.2025)

Sir,

This is to bring to your kind notice that due to the ongoing major festival season across the country, the transportation of ethanol supplies to OMCs has been severely affected.

As this is the concluding month of ESY 2024-25, our member units are under significant pressure to complete their pending ethanol supplies to OMCs. However, due to the long spell of festivals from **18.10.2025 to 26.10.2025**, the availability of drivers and transport vehicles has been drastically reduced, making it difficult to ensure timely deliveries.

In view of the above, we earnestly request your kind consideration to **extend the supply period up to 10.11.2025**, in line with the extension already granted by **BPCL and HPCL**.

Our member units shall remain highly obliged for your kind support and early consideration of this request.

Thank you & regards,

Dr. C. K. Jain, President
