Subject: Registration of distilleries and submission of Monthly data on Ethanol PII Portal - reg

Sir/Madam,

I am directed to refer to the subject mentioned above and to say that this department has launched a **Distillery Registration Form** and a n **Ethanol PII Portal** to facilitate systematic data collection from distilleries on NSWS portal. This initiative aims to streamline the registration process and ensure reliable statistical data of ethanol and other relevant items to support policy formulation and effective industry regulation.

2. In order to maintain up-to-date and comprehensive data, it is hereby mandated that **all distilleries** producing ethanol have to register themselves on distillery registration form on NSWS and then start submitting details on ethanol PII portal on **monthly basis**.

3. Both portals can be accessed on website www.NSWS.gov.in. for further assistance a user manual/guide covering all details for new users registration is enclosed herewith. The user manual is also available in help desk link of the NSWS portal.

4. Therefore, you are requested to advise your member distilleries for quick registration on Distillery Registration form and then for submission of P-II form on a monthly basis.

Yours faithfully,

(Harit Kumar Shakya)
