Subject: Request for an Appointment with GEMA Delegation

Under your visionary and futuristic leadership, young entrepreneurs across the nation have invested significantly in the Grain Ethanol Industry to support the Ethanol Blending Programme (EBP) of the Government of India.

Sir, GEMA represents more than 150 member units with a combined ethanol production capacity of over 1,000 crore litres per annum, significantly contributing to India's energy security, rural development, and the national vision of *Atmanirbhar Bharat*.

We would be grateful if you could kindly spare some of your valuable time to discuss the current status and key developments in the ethanol sector.

In this regard, a delegation from the Grain Ethanol Manufacturers Association (GEMA) humbly requests an appointment with your good self at your earliest convenience.

We shall remain grateful for your kind consideration.

With regards

Dr. C.K. Jain, President
