

GEMA/2025-26/744

Date: 02.12.2025

To,

Shri Aswani Srivastava Ji,

Joint Secretary (Sugar, Movement)

Department of Food and Public Distribution

New Delhi

Subject: Request for Condoning Delay in Submission of CS and UC for ISS Disbursement

Respected Sir,

Some of our member units have informed us that their ISS disbursements are pending. It is understood that the delay may be due to non-compliance with the timelines prescribed in the relevant Notification No. E-03022023-243408 dated 03.02.2023

The units have conveyed that although they have submitted the CS and UC to NABARD, these documents appear to have been submitted beyond the prescribed time limit. As your office is the competent authority to condone such delays, they have requested that the delay in submission of CS and UC may kindly be condoned.

We are enclosing herewith the letters submitted by the concerned units to your office, with copies marked to GEMA.

Please note that all these units are in addition to those for whom condonation has already been granted through your earlier communications.

We humbly request your kind consideration of their representations and to condone the delay, as in most cases the lapse occurred due to lack of awareness or misunderstanding of the compliance requirements specified in the Notification.

With regards

Dr. C.K. Jain, President

Enclosed: 1) List of the member units.

2) Link of representations by member units with copy of CS and UC
